

# COBRA CURBERS Asphalt or Concrete

**Salsco, INC.**  
LEADER BY DESIGN

**MADE IN  
THE U.S.A.**

**Innovative Design! High Performance! Ease of Operation!**

Cobra's oversize hopper is compatible with a standard size wheelbarrow! Unit can be steered and hand brake is standard to hold back unit on steep inclines.

Pictured is the Under the Guard Rail Curber.

Mold housing transfers right to left! Many styles of molds are available as standard (see back side of literature for samples) and special designed molds can be made. Nine wheels offer stability and ease of control. Unit comes standard with a 6" cast auger. Pictured to the left is the Cobra Curber being loaded with the Salsco Side Dump Bucket a perfect companion for ease of loading.
